Dear Mrs Melanie Hilton

Scheme Title: A1101 Wash Road, Welney – Carriageway Resurfacing.
Type of Work: Highway Maintenance, Resurfacing.

I am writing to advise you that essential resurfacing works necessary on the A1101 Wash Road, Welney are programmed from 19th August 2024 and will take up to 2 weeks to complete.

The resurfacing work aims to reduce future maintenance and ensure a smoother running surface.

Due to the nature of resurfacing work, the A1101 Wash Road is to be closed for the duration. A diversion route will be in place to direct traffic safely around the works. This is shown on the enclosed plan reference PMB916-HD2-100-001.

Access to properties will be maintained throughout, however, there may be some delays during the daytime when works are taking place. We will do everything that we can to keep disruption to a minimum.

The work will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors. The County Council would like to thank people for their patience while this essential resurfacing is completed.

Yours sincerely,

James Hutcheson

Encl (PMB916-HD2-100-001 Diversion Route Plan)
